### **Policies**

**Office Hours**: Our normal hours are 9:00 a.m. to 5:00 p.m. Monday through Friday. However, you may call the office any time and all emergencies will be relayed to Dr. Enzer immediately.

Appointments: All visits are scheduled by appointment. It is our policy to book ample time for your visit with Dr. Enzer and we do our best to minimize patient waiting time. If you should need to cancel or reschedule an appointment, we require at least 24 hours advance notice; otherwise you will be responsible for the visit fee and any other necessary billing or collection fees.

**Registration Materials**: In order to provide optimum care, Dr. Enzer requests that you complete a medical history questionnaire prior to your visit with our office. You may do this by downloading the registration forms from **www.doctorenzer.com**, requesting them by mail, or coming to the office ten minutes early to fill out the forms. **Please bring a complete medication list** to your visits. If you wear contact lenses, you should bring a case for them as well as your glasses.

Insurance Coverage: For our medical patients, Dr. Enzer participates with the major area plans. Many plans require that the patient obtain permission to see Dr. Enzer for the initial and each follow-up visit. This is your responsibility. Please bring your insurance card (s) to the office so we can obtain accurate billing information. If your insurance plan decides not to cover Dr. Enzer's services, you will be responsible for payment of the bill. To contain costs, all payments are required at the time of service. We accept cash, checks, VISA® or MASTERCARD®. There is a billing fee for any unpaid balances. By minimizing our expenses, we help keep our fees competitive.

**Reconstructive Procedures**: Many reconstructive procedures will be covered by insurance plans. Our staff will help obtain this information in advance if possible. We make no representation or guarantee regarding what costs an insurance company will cover. All non-covered services will be the responsibility of the patient.

**Cosmetic Surgery Costs**: The cost of cosmetic surgery is not covered by insurance plans, and thus is the full responsibility of the patient. For more information regarding cosmetic surgery policies and fees, please go to the Office Policies section on our website at **www.doctorenzer.com**.
