

Welcome!

Thank you for choosing Enzer & Associates, PC for your care. We offer both cosmetic and reconstructive plastic surgery services for cosmetic and reconstructive purposes. Our practice is dedicated to providing the most effective, modern, and safest procedures for our patients. We are centrally located in Providence, Rhode Island and our office is designed with your comfort and privacy in mind.

When you choose Enzer & Associates, PC for your care, you can be assured you are getting the best in training, certification, reputation, experience, and dedication to patient care. Unlike many spas or other practices, we take pride in getting to know our patients personally. This ensures that each patient will receive the safest treatment and the best results.

Office Policies

Our normal hours are 9:00 a.m. to 5:00 p.m. Monday through Friday., and closed for lunch 12:15 p.m. to 12:45 p.m.

All visits are by appointment, and our policy is to book ample time for your visit. We do our best to minimize patient waiting time. Should you need to cancel or reschedule an appointment, we require at least one business day advance notice; otherwise you will be responsible for the visit fee and any necessary billing and/or collection fees.

So that we may provide optimum care, we request that you complete a medical history questionnaire prior to your visit with our office. You may do this by downloading the registration forms from www.DoctorEnzer.com, requesting them by mail, or coming to the office 15 minutes early to fill out the forms.

Cosmetic, Laser, and Oculofacial Plastic Surgery

Yoash R. Enzer, MD, FACS
Ashley L. Wright, FNP
Melissa Nowicki, Licensed Esthetician

About Dr. Enzer

Dr. Yoash Enzer was born in New York City and grew up in Cincinnati, Ohio. He received his undergraduate degree from Brandeis University and received his medical degree with honors in 1986 from the University of Cincinnati School of Medicine. Dr. Enzer then trained in Internal Medicine and Ophthalmology at Brown University/Rhode Island Hospital. From 1991 to 1992 he received fellowship training in Oculofacial Plastic and Reconstructive Surgery at UCLA's prestigious Jules Stein Eye Institute. Dr. Enzer then spent an additional six months studying with leading plastic surgeons in Beverly Hills, Los Angeles, and pursuing his research interests.

In 1993, Dr. Enzer returned to Rhode Island to practice and teach cosmetic and oculoplastic surgery. In recognition for his work with medical students and residents, Dr. Enzer was honored with the "Excellence in Teaching" award in 2011 and 2015 (Department of Dermatology) and "Teacher of the Year" awards in 1996, 1997, 2008, and 2011 (Department of Ophthalmology). He is a Clinical Associate Professor of Surgery and Dermatology at the Warren Alpert School of Medicine at Brown University. In 2003 he received the "Teaching Recognition Award" from Brown University, and the American Academy of Ophthalmology Achievement Award in 2008. He lectures locally and nationally, and has published a wide variety of papers in his field.

Dr. Enzer is board certified, and is an invited member of the American Society of Ophthalmic Plastic and Reconstructive Surgery, the American College of Surgeons, and the American Academy of Cosmetic Surgery, as well as many other professional organizations.

MD Cosmetic Services

With over twenty years experience and dedication to the aesthetic field, Dr. Enzer has an established reputation as one of the premiere cosmetic providers in New England. We offer the following cosmetic procedures:

- Botox®, Dysport® and other neuromodulators
- Restylane®, Silk®, Refyne®, Defyne®, Juvéderm®, Voluma®, Volbella®, Vollure®, Radiesse®, Sculptra® and other facial fillers
- Fat transfer
- Blepharoplasty, eyelid lifts, and forehead lifts
- Mid-face (cheek) lifts
- Neck Liposuction & Kybella
- Cosmetic skin laser services for wrinkles, spider veins, tattoos, and brown spots
- Carbon dioxide laser to smooth wrinkles and eliminate sun damage
- Scar revision surgery (FaSuLa)
- Removal of undesirable skin growths
- Eyeliner micropigmentation
- Sclerotherapy for spider veins

MD Medical Services

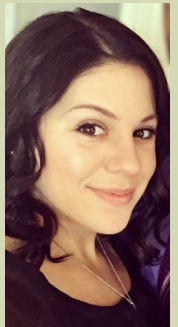

Reconstructive procedures are aimed at restoring normal function to facial structures affected by trauma, aging, or other disease processes. As an oculofacial surgeon, Dr. Enzer has extra specialized training to manage problems around the eyes and face. The following is a list of the most common conditions Dr. Enzer manages:

- Eyelid malpositions (ptosis, ectropion, and entropion)
- Eyelid and facial skin cancer reconstruction
- Thyroid eye disease & eye socket/orbital disorders
- Tearing disorders
- Facial and eyelid paralysis
- Facial and eyelid spasms
- Eyelids and sleep apnea
- Oculofacial trauma surgery

Enzer & Associates also offers Licensed Esthetician Services including facials, chemical peels & personalized skin care programs.

About Ashley Wright, FNP

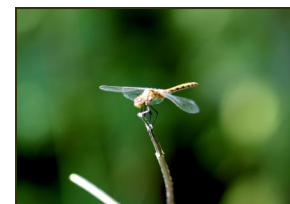

Ashley Wright, RN, MSN, FNP is a Rhode Island State and National Board Certified Aesthetic Nurse Practitioner and Registered Nurse. She holds a Bachelors of Science in Nursing from Grand Canyon University and a Masters of Science in Nursing & Family Nurse Practitioner from Simmons College, Boston. Also a member of The Honor Society of Nursing, Sigma Theta Tau International, Ashley has over 10 years of medical professional experience, and holds numerous certifications in Critical Care and Trauma Nurse specialties.
