November 2017

Please join Enzer & Associates, PC this holiday season in raising funds for our neighbors at **The Ronald McDonald House of Providence!**

We will be participating in the Adopt-A-Family program in which our generous donations will help with the expenses associated with a family's stay while their children are receiving medical treatment here in Rhode Island. We will be accepting donations now through **December 20th** during our regular office hours in our Providence office. For every donation collected, Enzer & Associates, PC will match the amount up to *\$2500!*

It is just as important to feel good on the inside
as it is to look good on the outside
Let us help you with both!

Ronald McDonald House®
Providence

Keeping families close™

The Ronald McDonald House of Providence

provides programs that directly improve the health and well-being of hospitalized children and their families. Their programs allow families to spend additional time with a sick child, help ease financial burdens, provide a sense of normalcy and keep families together during times of medical crisis.

Each year *nearly 300 families* stay at the Ronald McDonald House of Providence and an additional 1,900 enjoy the comforts of the Family Room. Without the RMH of Providence, **families would sleep in hospital waiting rooms, in their cars, or have to turn to local hotels.**
