Keeping families close™

The Adopt-A-Family program provides generous donors with an opportunity to fund the expenses associated with a family's stay while their children are receiving medical care.

Without RMH Providence, families would sleep in hospital waiting areas, in their cars or have to turn to local hotels.

FOR EVERY DONATION COLLECTED,
ENZER & ASSOCIATES, PC WILL MATCH THE
AMOUNT UP TO \$2500.00

Please join Enzer & Associates, PC this holiday season in raising funds for multiple families stay here in Rhode Island. All donations would greatly be appreciated!

The McFarland Family

"I traveled to Newport, RI from State College, PA to attend my husband, John's graduation from the Navy's Officer Candidate School. Our son, John, was born at Newport Hospital through an emergency c-section, we were not expecting his arrival while I was visiting Newport because he wasn't due for another 6 weeks. We live over 7 hours away and we thought we were going to have to stay in a hotel while our son was in the hospital. The Ronald McDonald House became our home away from home and it was a blessing to have a place to stay within walking distance of our son... We are very appreciative of the Ronald McDonald House and the people that make it possible... We are very blessed to have this sweet boy in our lives." Alisa McFarland, RMH Providence Mom
